DEDICATION . . . In the publishing of a book, in the producing of an opera, or the painting of a picture, there are always those characters who labor and labor unnoticed by the people about them. . . . Were they to fail in their part the whole production never would be presented. In a school there must be those individuals who work even behind the scenes, their efforts make the whole organization function quietly. . . . In the Jefferson High School organization there are two of its members whose turn it is now to receive their citation for meritorious service. Mr. Harry E. Taylor, every day in every year, serves our schools. Mr. Bernard A. McAdams, our champion director of bands. Today our hats are off to these worthy gentlemen.

Jeff's New Athletic Field at Eighteenth and Union Streets.

ATHLETIC

Dedication Night—Flag raising ceremonies. Looking north through the locker rooms. Team dressing for the game. Jeff-West Side game, Jeff blocks West Side pass.

FOREWORD . . . Another year gone, but not forgotten. Indeed not, for it's memories are cut deep in the annals of classes, sports, and activities all added up to make them complete. . . . To help keep these memories to be cherished in later years, we, the staff of the 1940 Nautilus, put all of our efforts in the task of producing this volume. Many extra hours have been spent on this book in the hope that students may spend many happy hours reviewing their schoolday activities in Jefferson. Through photographs and the written word, we have en-

deavored to crystallize the fleeting events of the 1939-40 school year at Jeff.

Highlight event of this school year was the finishing and dedication of Jefferson's new athletic field. This field, situated on the southeast corner of Eighteenth and Union Streets, is a realization of the dream of many a student and alumnus. It provides a site for the many sport activities that were formerly played on inadequate fields. May its building be a boon to the school in that Jeff will be led to many a victory.

SENIOR CLASS HISTORY . . . When we, the "Traditional Timid Tots" of "36", entered these halls as freshmen, we saw before us a stairway. At the top of the stairway we beheld our goal—a high school diploma. Throughout the year of our first step upward we were baffled by studies, activities, and the general rush of fifteen hundred students—all striving for the same high mark. Despite our fears and premonitions we took our first step with flying colors. . . . As "Sophisticated Sophomore Swingsters", we saw our selves blossom into more confident and utterly fearless students. The upward climb became a little less difficult and amid our many activities we found that it became harder to find time in which to gain the required knowledge. Just as other years, this one was filled with studies, activities, the ever-living romances, and last, but not least—vacation. . . . Upward—upward we climbed, until on the third step, the "Jefferson Junior Jitterbugs", we stopped to consider the years past and the years to come. During the short breathing spell, we took care to pick up the loose threads of knowledge which had been neglected; and as the Time came closer and closer, we dreaded the thought of leaving these familiar halls. . . . And now, as Seniors, we stand at the top of the stairway and turn to look back on our four years. Our progress has been recognized, and we take with us one of Life's most valued gifts—the friends we have acquired in Jefferson. . . . Barbara Royster '40.

JUNIORS

JUNIOR CLASS HISTORY . . . Launched upon the career of "high school life" for four years, we are now awakening to the realization that there is only one year left. What will that year hold for us? Let's look back to what the other years held. . . . When we were freshmen, there were no serious thoughts of the future. We played around, didn't take lessons very seriously, and with the pushing of teachers, we did make the grind. . . . Classes became more joyful during the sophomore year. Now that we stop to think, what would school be without them? . . . But now June is the sunset on our Junior year, a year never to be forgotten. School activities have greatly increased, or are we just beginning to take notice of things around us? We saw every football and basketball game, and a track meet couldn't be missed. Yet sitting in classrooms with summer coming, we wish we were out in the sunshine. Oh, well, there is only another year and all of our worries will be over. . . . Dorothy Schwartz, '41.

SOPHOMORES

SOPHOMORE CLASS HISTORY . . . We sophomores haven't much of a history 'cause it seems that we don't have any social functions of our own. However, many of us do take part in the social activities of the student body. We are particularly proud of the sophomore participation in the athletic events of 1939-1940, namely basketball and track. . . . The sophomores were very influential in morally supporting many causes. In the operetta a few took active part in the choruses and cast along with the freshies, juniors, and seniors. . . . We were honorably represented in the many contests held at Jeff in the past year; some of which were the geometry contest and the band contest. . . . But in our opinion Jeff should be college and high school and even grade school thrown in—well—maybe not grade school, but what we mean is "We don't wanna leave Jeff!" . . . FRESHMEN

FRESHMAN CLASS HISTORY . . . "Jeers! Jeers! Jeers! Will they never cease?"—Such were the thoughts of many of us preps on 1939 Prep Day . . . Yes, it was Prep Day, but you would never have known it as there were many upperclassmen around to tease. Not only did these remarks last through our first day at Jeff but also through that unforgettable 9B Semester. . . Nevertheless, there were a *few* helpful hints in spite of that "fourth floor stuff". . . When the first few weeks excitement were over we found that life *can* be bearable. . . Believing that the saying "Turn about is fair play" is true, we hope to do our share of teasing (all in fun) next year and for two years after that. . . Betty Lee Mathews, '43.

ACTIVITIES

First Row: Marjorie Watt, Elizabeth Gray, Elinor Segal, Janet Bahls, Beverly Brand, Godfrey Sloan, and Joan Pearlman.
Second Row: Mr. Bradley, Mr. Hadley, and Mr. Morgan.

BOOSTER STAFF . . . These are people who write all those things we are so eager to read every Thursday. (By the way, Beverly Brand is that sweet little thing who writes the *Pick and Shovel*.) . . . There are twenty-three members on the staff. To be on the staff, one must be enrolled in the 11A Journalism class. Journalism students get some valuable experience this way. Perhaps you have been accosted by a staff member for some news for a forthcoming edition of the *Booster*. . . The staff is headed by Elizabeth Gray and Marjorie Watt, co-editors. The advisors of the staff are Mr. Hadley, Mr. Morgan and Mr. Bradley. The staff meets every sixth hour in room 136. The purpose of the staff is to publish twenty issues of the *Booster* in a school year. You can't imagine how much work that is unless you have been around the *Booster* room quite a lot. Sometimes it means working quite a while after school. The *Booster* Staff is a member of the Quill and Scroll Society and the National Scholastic Press Association. For the past two years the Quill voted them winner of International First place rating, and that's really something!

CROONERS

BOYS' GLEE CLUB . . . If you have a "stout" voice, you are eligible to sign up to help this club "dish out glee". The past year there were thirty-five members, presided over by Jim Moore, President; Bob Knowles, Secretary-Treasurer; and Dick Burkhardt, Librarian. Miss Camilla White, sponsor, does the directing and under her guidance the club participates in many school activities, promoting the male voices of our school. The dues are fifty cents per semester, and the meetings are held every Monday and Wednesday during the sixth period. . . . During the year they participated in such events as the Red and Black Revue, and "Oh Doctor". They were well represented in the latter by five of their members who carried important leads. Also in collaboration with the other musical organizations, they gave many broadcasts over WBAA, and with them played hosts to other schools in the Music Festival on May 10. . . . The club, like any other club, has its own problems, but unique is its result-getting remedy. One such problem was chewing gum and a rather discouraging problem at that, especially during rehearsals. However, it was soon stopped because remedy procedure went like this. Anyone caught in the act reconciles himself by writing a five hundred word theme. If he is still guilty a second or third time he writes another theme, but with each offense the theme grows an extra five hundred words. Results were amazing—no more gum chewing.

 Row Two: Patricia King, Louise Chastain, Margaret Berryman, Elnor Uncapher, Catherine Leuty, Margaret Meehan, Jane Gaunt, Dorothy Washam, Marge Burkhardt, Ruth Metcalf.
 Accompanist: Betty Amos.

GIRLS' GLEE CLUB . . . Twenty-five girls, who passed the voice requirements of the club, have been members of this organization throughout the past year. Officers for the past term were Marjorie Burkhardt, President; Mary Ellis Taylor, Secretary; Dorothy Washam, Librarian; and Mary Frances Amos, Accompanist. With the help of Miss White, sponsor and director, the club has brought to many girls an advanced knowledge and appreciation of music. Rehearsals are held every Monday and Wednesday during the second period in the Music Room. The dues are fifty cents although they are not compulsory. The money is used to finance a party at the end of the semester. . . . Several broadcasts were given during the year over station WBAA. They also had five of their members as leads in "Oh, Doctor." These were Skeets Taylor, Vivian Brown, Margaret Agnew, Dorothy Washam, and Margaret Beck. This club also contributed much to the May Choral Festival held at Jeff last May 10 and did their part in the chorus that sang at Commencement. The Choral Festival was one of the most important events of the season. The visiting guests were musical organizations from West Lafayette, Frankfort, and Lebanon. Mr. A. P. Stewart was the guest conductor for the occasion.

CROONING WARBLERS

MIXED CHORUS . . . These are forty-three of the best singers in Jeff. According to Mr. McCarty, they may eventually be the vested choir of Jefferson High. Other schools have one, why not Jeff? The officers for this year have been Margaret Agnew, President; Margaret Beck, Secretary, and Dick Burkhardt, Librarian. The only requirements for membership are that you have to be able to carry a tune (at least one chorus of "Three Blind Mice"), and that you have to have some interest in music. Miss White is the directress, and as such she tries to equip each singer with a greater appreciation for good music. The chorus meets Tuesdays and Thursdays in the Music Room for practice. If you happen to be up that way fourth hour, you will no doubt hear them. Don't be too critical; they have to practice sometime. This year the chorus has kept busy with numerous broadcasts, as well as the annual Christmas Cantata. They also participated in a very successful musical comedy. Remember? It was "Oh! Doctor." They also had a fine act in the Red and Black Revue. As always, they had a very enjoyable Christmas party at that season of the year. In the spring, all looked forward to, and enjoyed, the annual spring picnic.

SUNSHINE SOCIETY . . . This club is for any girl in high school; the only other requirement for membership are the dues which are five cents per semester. The club, the largest in the school, has one hundred thirty-five members, and is sponsored by Miss Slayback. The society has been led through the past year by the officers: Marian Force, President; Mary Frances Amos, Vice-President; and Margaret Lamb, Secretary. During the year the club helped seventy-eight worthy and needy students get their books. They also kept up the Sunshine Room for girls who get a headache or other disorder during school hours. One of the main events sponsored by this club was the annual Bronchoette Gallop. This is always looked forward to each year by the boys especially. They also sponsored tea dances, sold candy at ball games and carried on their charity work. In addition to all of this they sponsored those swell girl yell leaders, and sold football plates, etc., for your cars. By providing facilities for working with other girls the club develops the leadership qualities of the girls. They try to bless, brighten, and bring light and health to the homes, school, and community. They meet once a month in the Auditorium or Cafeteria. This local Society is a member of the district as well as the State organization.

WESTERN UNION

GIRLS' ADVISORY COUNCIL . . . The most exclusive club in Jeff! To be eligible for membership, a girl must have twelve credits. Even if she has twelve credits, she must be recommended by the faculty before her membership is secure. The dues are fifteen cents a semester. The past year there were more than one hundred members. Meetings are held the second Wednesday of each month in the Auditorium. The officers this year have been Carol Bals, President; Betty Amos, Vice-President; Henrietta Davis, Secretary, and Betty Gray, Treasurer. Those girls who go around through the building without passes are members of this club. They sit in that little office outside Mr. Webb's office and when the buzzer buzzes, some girl stops guzzing and buzzes into the office to be off on an errand. The club is sponsored by Miss Slayback, and the purpose of the club is to give service to the school and to cooperate to make all school activities a success. The events for the past year included a tea for new girls, and a Valentine Party. The girls entertained their mothers at a party for them, also. They deliver anything from passes, or telephone messages to bundles for the teachers.

GIRL RESERVES . . . Here's a club where you have to do something besides join, pay your dues, and have your picture taken. If you want your membership retained, you have to be present to at least one out of every three meetings; of course you have to pay your dues, too. Meetings are held the first and third Wednesdays of every month at the local Y. W. C. A., of which they are a member. The officers for the past year have been Jane Thornberry, President; Helen Hankins, Vice-President; Rilla Scott, Secretary; and Margaret Hainje, Treasurer. There are twenty-two under the supervision of Miss Royster, Miss Seever, and Miss Norman; all who hold as their purpose, the purpose of the club, "To find and give the best". During the year many interesting meetings were enjoyed featuring some entertaining speakers. Another project was a tea for their mothers. Those girls who sold those "Yea, Jeff," ribbons were Girl Reserves. The response to their campaign was so great that they were overwhelmed with sales and were kept busy making more ribbons.

CIRCUS LATINUS

CIRCUS LATINUS . . . (Latin Club to you.) Forty Latin students got together with Miss Hanna and Mr. Carroll and organized this semester. Their officers are Mary Ellis Taylor, Primus Consul; Dan Kahle, Secundus Consul; Yvonne DePoyster, Scribo, and William Korty, Quaestor. In common ordinary language they are President, Vice-President, Secretary, and Treasurer in that order. Only Sophomores, Juniors, and Seniors are eligible for membership. The purpose of the club is to learn more about the Latin language, customs of the people, and the native country. Students of the Latin department get better acquainted through parties and social gatherings. They get all of this for just twenty cents dues. With Mr. Carroll and Miss Hanna to provide them with material, they are learning more and more about the Roman people and their language. In keeping with the seasonal spirit, a Hallowe'en party was enjoyed in the cafeteria. The Latin Club turned out to be so many sundry and miscellaneous ghosts, tramps, and people from many lands. A very interesting Christmas party was also enjoyed. In the gift exchange many people were surprised to receive dolls, magnet sets, candy, etc. The Valentine season found the Club in the Music Room. This program included the origin of St. Valentine's Day. . . . Valete. (God bye to you.)

INDIANA STUDENT FORUM . . . This is the newest club around school. The long popular History Club so ably sponsored by Miss Fletemeyer was dissolved in favor of this club. The sponsors of the club are Mr. Carl Martin and Mr. Charles Culbertson. It was organized to carry on the ever-widening interest in the Social Studies. The officers have been George Pfrommer, President; Marjorie Watt, Vice-President, and Catherine McLaughlin, Secretary-Treasurer. There are fifty-five members in the club, the requirements for membership being ten cents a semester for dues, and enrollment in a Social Studies subject. A member must show some evidence of interest in his work to retain his membership. The purpose of the club is to stimulate interest and discussion of current problems and trends. The meetings are held the first Thursday of every month. So far it is a statewide organization. The second annual convention was held at Jeff Friday, May 3, 1940. Over three hundred delegates attended. They were chosen as representative of outstanding students from their respective schools. Discussions were held on current problems of the day. The club is looking forward to future conventions and also to enlarging their organization.

CULINARY ARTISTS

HOME ECONOMICS CLUB . . . Any girl interested in Home Economics may join this club sponsored by Miss Pierce and Miss Ratcliffe. During the past year the club, which had a membership of thirty-five, was presided over by Marrietta Burkhardt, President; Norma Schnaible, Vice-President; Rachel Danley, Secretary; and Frances Brandon, Treasurer. Meetings are held the second Tuesday of each month in the Cafeteria or in Room 104. The dues are twenty-five cents a year or fifteen cents per semester. This club belongs to the National Home Economics Association, an organization of clubs like our own from all over the United States. The theme for the 1939-1940 year was "Seeing Ourselves as Others See Us." Many interesting programs were enjoyed throughout the year. Last fall a play was presented in connection with introducing the officers and sponsors. The play was "It's Nice to Know How." The new members were initiated at a chili supper with music furnished by a girls' trio. In December a very delightful "Grandmothers' Tea" was enjoyed with music by the Amos Girls. Miss Kennedy gave a very interesting talk on "Personality Interests Abroad" in January. The music on this occasion was furnished by Helen Locke. These are only a few of the well balanced calendar of events typical of this club.

JEFF SCIENCE CLUB . . . Ahoy! all you science enthusiasts. No matter whether its conservation, photography, astronomy, shortwave broadcasting, television, taxidermy, aquatics, or microscopy, the science club is just the place for you. There are eighty students enrolled this semester. . . . They are really enrolled twice since each student picks what section he likes best and joins that. That way there is room for more specialization along different lines. The officers for the first semester were Jim Sattler, President; Sidney Burger, Vice President; Bob Peck, Secretary. The officers for the second semester were Wayne Carrick, President; John Holmes, Vice-President, and Joan Pearlman, Secretary. The requirements for membership are an interest in science in general for each student and fifty cents per semester dues. Mr. Kenneth Dobelbower is the sponsor, and he tries to advance the purpose of the club, to integrate science interests in Jeff. The club meets the first and third Tuesdays of each month. This club belongs to the Indiana Junior Academy of Science. The club is the proud owner of a modern darkroom with the best available enlarger on the market. Many interesting programs were enjoyed this year along the lines of science. The conservation section takes hikes when the weather permits.

CHAMPIONS

BAND . . . "Yes, we'll be there. What time?" That's what Mr. McAdams says when asked to play somewhere. No matter whether it's at the Soldiers' Home, Chamber of Commerce luncheon, or on the Courthouse steps. This year they played at basketball games, pep sessions, and went strutting on the new athletic field behind Bob Carr, drum major. At other times the Band is transformed into a symphonic band to give some very "charming" concerts. And remember (or could you forget) that pep session when Abe Masters sang? It seemed they weren't so familiar with the accompaniment to Mr. Master's rendition, (or perhaps Mr. Master wasn't so familiar with his song.) This was also the first public performance of a new composition of Mr. McAdams, dedicated to the Seniors of 1940, entitled "Glory of Jefferson". It is on the style of a march and was well received. The Band also played at a couple of Purdue basketball games in the Purdue fieldhouse. Of course, they played at such school events as graduation, too. The Band is composed of ninety members, and is directed by Mr. B. A. McAdams, a most able leader. You have to be proficient on at least one instrument to be eligible for membership. Every spring the Band enters the Band Contest as they are a member of the National Band and Orchestra Association, and are we proud of them. They're so good they didn't even have to enter some of the State contests—they go direct to the National.

"YOU NAME IT; WE MAKE IT"

MASTER MACHINISTS' CLUB . . . Crash! Bang! Wham! Biff!! This is not the building falling in but merely the Master Machinists of Jeff at work. This club is made up of twenty members (four are honorary members) who are taking shop courses. The officers of the club are: Bob Halsema, President; Charles Schrader, Vice-President; Walter Schwartz, Secretary; Gilbert Young, Sergeant at Arms; Robert Peck, Chairman of the Program Committee; and Mr. Miller and Mr. Wills, sponsors. The club's purpose is to foster a better understanding in machine shop activities. The club meets every Wednesday to hear talks by experienced machinists. The club is closely related to the Master Machinists Organization. It has no dues so should be very interesting to any boy interested in shop courses. The club has had several of its ex-members who have made good in their vocational field talk to them at their meetings. In this way the members are able to get some advance knowledge on actual industrial work and relations. All in all it is a club that the school could not do without because of projects it builds that are used around the building. Some of these projects included such things as spotlights, shop equipment, pulleys, and many other smaller articles.

GEORGE WASHINGTON CARVER HI-Y . . . The George Washington Carver Hi-Y Club was formed November 19, 1938, as a branch of the former Crispus Attucks Hi-Y Club. There are nineteen members altogether, the only requirements for membership being that all members must go to Jefferson High School. You also must pay fifty cents per semester dues or suffer the consequences. The officers are Clovis Semmes, President; Franklin Hines, Vice-President; Kennie Jones, Secretary; Mr. S. R. McElwaine, Sponsor and Treasurer, and Mrs. Robert Harris, Assistant Sponsor. The purpose of the club is to create, maintain and extend throughout the year and community high standards of Christian character. Meetings are held from 7:30 to 9:30 p. m. at the Lincoln School on Monday nights. The first hour is spent in business transactions and the remaining hour is devoted to recreation or a program. The activities for the past year have included distribution of Christmas baskets to needy families and cards to their friends. This work is very commendable and is carried on throughout the year.

HI-Y MEN

JEFFERSON HI-Y . . . "The purpose of the HI-Y is to create, maintain, and extend throughout the school and community high standards of Christian character." . . . This is the purpose or creed of the Jefferson HI-Y. Their club is made up of seventy-two members who are chosen by vote of the club. The officers are: President Don McClelland; Vice-President Jack Kennedy; Secretary, Bob Stephens; Treasurer, J. Bob Miller; Sponsors, Messrs. Carroll and Hichings. Its meetings are held on the first and third Tuesdays of each month, and the dues are fifty cents a semester. The HI-Y sponsors annually many worthwhile projects in school life. Among these were several mixers. They also ushered at plays and other activities, and helped with the Community Fund Drive. During the year this wide-awake active club has had well known speakers from Lafayette and Purdue to talk on all sorts of subjects. It also held joint meetings with the West Lafayette Club. The Jeff HI-Y is made up of leaders of school life, so it naturally is a well known and active club. Since re-organization two years ago, the Jeff HI-Y has been connected with the National HI-Y.

BOWLING LEAGUE . . . "Strike one, strike two, strike three"—not out, but a three hundred game. One of the newest clubs here at Jefferson, the Bowling League, is in action! The purpose of this club is to promote the game of bowling as a school sport. Mr. Carl Martin is the sponsor of this group which is composed of forty members who are divided into eight teams. The league "goes into action" every Tuesday afternoon at the new Lafayette Bowling Alleys. The League also takes part in other matches, principally against West Side, gro-ri! They finished the season substantially ahead of their rivals. . . . The officers of the Club for the year were: Eugene Gordon, President; Lewis Kantz, Vice-President; Rosanna Emerson, Secretary. The requirements for membership are small weekly dues and regular attendance. The dues go into a prize fund which is distributed at the end of the season. . . . One of the highlights of the year was the banquet held in April at the Purdue Union, at which prizes were presented to winning teams, and individuals, and plans made for next season. . . . The team captains for the year were: Mary Jane Roth, Pat Frederickson, Heman Sherlock, George Pirommer, Catherine Leuty, Jack Reifenrath, Eugene Gordon, and Kitty Ardapple.

ARTISTS

STUDIO CLUB . . . Here's a nice club for the artists of Jefferson High. This year there were about thirty members. Miss Georgiana Kienly, art teacher, is the sponsor. The officers were Kathleen Keys, President; Anna McKinniss, Vice-President; Wilma Grimes, Secretary; and Bette Heath, Treasurer. To be a member, one must be a student of Jeff and be interested in, as well as, appreciate art. By the end of the year each member should have a greater appreciation and interest in art and craftsmanship if he has made use of the club's program. The dues are very economically priced, fifteen cents per semester. Two meetings per month are held in room 309 after school. Activities during the year were varied and included such things as sketching groups, museum trips, and parties, one of which was held nearly every month. One paramount event was the exhibit they sponsored which featured reproductions of paintings by famous artists. The small admission charge collected at this exhibit paid for a picture which was presented to the school. This picture, "The Northeaster" by the American, Winslow Homer, is a scene depicting a tempestuous sea with dashing clouds of spray; incidentally, it is the first seascape in school. Another event was a very succesful dance with music furnished by the Emanons.

Row One: Left to Right—Miss Kienly, J. Schwartz, E. McCool, M. Zahn, W. Wien, D. Schwartz, J. Hancock, K. Keys, B. Davis.

Row Two: J. Ludwig, M. Zink, B. Lyman, D. Heath, C. Hanks, J. Prien, D. Andrews, L. P. Beck, W. Grimes.

Row Three: D. Kamp, D. Holtman, A. Dose, M. Knowles, N. Thornton, B. Heath, A. McKianiss, M. Baldwin.

SENIOR DANCE . . . April 26, another "it" night on the calendar, for it was Senior Dance night. Yeah, and what a night it was; summer formal attire, corsages, decorations, and yes, Charlie Cartwright and his orchestra. In all it added up to one glorious occasion. . . . Charlie Cartwright and his orchestra, from the campus of Bradley Polytechnic, came and played that music for which he is well known, styled "Lightly and Politely." Also with the orchestra were featured Don Elkins, Bob Lindig, Danny Burke, Walt Schaeffer, and Bob Cartwright. Bob Cartwright, Charlie's brother, wields the baton for the orchestra. . . . Decorations centered around a giant white star, the center piece of the false ceiling in pastel shades of crepe paper. Behind the band situated at the north end of the gym was a large silver back drop with "1940" lettered in blue. Soft lighting was effected by the various colored lights which shown from above, below, and nearly every nook and corner. . . . Programs for the dance were made in booklet form of lavender and sea green paper tied with a silk cord. . . . In all the dance was a real success, and the dance committees under the supervision of Jack Kennedy should be praised for their work.

SENIOR DANCE

JUNE MAD

SENIOR PLAY . . . Tryouts were over and the anxious contestants eagerly awaited the outcome of their efforts. One day—two days—and finally there they stood, thirteen students, all anticipating their first "stage-debut" . . . Throughout the next four weeks of rehearsals every night, it became evident it wasn't all glory, honor, and fun—there was also that certain element called work. Every night the cast repeated the same lines, the same laughs, and the same actions—each trying to perfect his own bit. . . . Then came the night of dress rehearsal, not unlike the traditional night—everything went wrong and they came to believe their work had been in vain. . . . With the last minute rush of costumes, make-up, and cues, came the much hoped for feeling of security and confidence. Back-stage frolicking helped "knee-tremblers" overcome their self-consciousness and the cast stood out as utterly different characters. The atmosphere became tinged with the traditional back-stage glamour of the theater—and fun was the rule of the evening not only for actors, but for audience. . . . "June Mad" is over now—but the cast will long remember the enjoyment they received from this production.

Left to Right: *Standing:* Jack Reifenrath, Kitty Ardapple, Don McClelland, Sarah Andrew, Jim Glatz, Elinor Segal, Henry Taylor, Janet Glatz, Bill Levering, and Joan Collins.
Sitting: Barbara Royster, George Klink, and Jack Kennedy.

RED AND BLACK REVIEW

(Foreword from Official Program)

Tonight Jefferson High School's students bring to you their fourth annual all-school production. Over four hundred students will appear on the stage during the evening for your entertainment.

Every student and teacher has done his bit to bring this show to its final staging. It is truly an all-school production. From the orchestra pit to the wings, and from ticket windows to the last rows, you will see amateurs performing as professionals.

We in Jefferson believe that all teaching is not done in the classroom, but that the boys and girls learn through participation in the many extra-curricular activities.

Now the 1939 Red and Black Revue is yours. On with the show!

"OH DOCTOR"

"OH! DOCTOR" . . . "Though my books on germs bring honor and fame, I wouldn't know one if I met him. But if a man has the *wealth*, then he's sure to have health, for I'll chase all the microbes that get him!" . . . People from miles around (from West Side anyhow), flocked to the Jefferson auditorium April eighteenth and nineteenth to hear these immortal words spoken by Dr. Drinkwater. . . . The crowd that packed the auditorium, (two in the front row, one in the fourth) was taken to the world-famous Drinkwater sanatorium, where they were entertained (the cast hoped) for something like an hour and a half. . . . They were surprised to see people that they never expected existed, such as cowboys, cattle rustlers, bandits, nymphs, and a god and goddess. They were also amazed at the antics of the doctors and patients in the burlesque dance "Oh! Doctor." . . . They were surprised to find that Jeff really does have its quota of good looking dancing girls that are (surprisingly enough) good dancers as well as good lookers. . . . Another thing that astounded them was the fact that Jeff students are able to carry on a little love-making in the open. (Strange as it may seem.) . . . However, the Music Department of Jeff proved successfully that it is easy to put on a highly entertaining show, and it was enjoyed by all who saw it. . . . Joe McClurg.

ACTIVITIES . . . Just like dessert with a meal, activities in school life add those certain things that make it all worth while. And glance back over those last pages and look at the many varied activities; enough to satisfy anybody. Why, anybody from artists to scientists, musicians to sportsmen, and orators to machinists, can find a club to belong to that will interest him along his line. . . . Possibly many of these clubs are never known to some except through some activity they sponsor. Yearly, the musical organizations sponsor many events such as the operetta, the cantata, and many acts in the Red and Black Revue. For the journalists and the authors there's the Nautilus and the Booster Staffs of school publications, while for scientists and the social scientists the Science Club and the Indiana Student Forum are offered. Girls not caring to join any of the afore-mentioned clubs can pick from many others, including the Sunshine Society, Girls' Advisory Council, Girl Reserves, or the Home Economics Club. For boys, there are the Hi-Y's and the Master Machinists. There, I've named a lot, but not covered them all yet because there's still the Latin Club, Band, Studio Club, and the Bowling League. . . . The newest clubs formed this year were the Latin Club and Bowling League, both of whom boast of many enthusiastic members. Already this year the Bowling League, through their interest in the sport of bowling, have done much to make bowling a school sport, possibly an interscholastic sport. . . . All in all, after you've listed all of them, and looked them over, you find things are pretty well covered along the activity line here in Jeff, where no one need go idle in his extra time.

ATHLETICS

COACHES

COACHES . . . Say, readers, have you ever met these fellows? I'm sure you have. Looking them over, you recognize them as our coaches. There's Head Coach "Abie" Masters, also "Master" baritone of operatic fame, surrounded by Assistants "Chuck" Harbaugh and Orv Martin. "Abie", assisted by the other two, handles basketball and football, while Orv handles track, and "Chuck" baseball. Through the efficient efforts of these three, Jeff in the past year has won renown in the Indiana sports whirl.

Left to Right—Orval Martin, Abie Masters, and Chuck Harbaugh.

YELL LEADERS

Left to Right, Standing—Eddie Biggs, Keith Lahr, Jim Metzger, Jack Hays, Charles Hanks. Kneeling—Joan Collins, Dottie Davis, Jane Raisor.

YELL LEADERS . . . Hmm—what have we here? Yep, you guessed it; the school yell leaders. There's something new this year, too. We have girl yell leaders for the first time. As a whole the group has performed quite successfully. The result of the fans' favorable response to their efforts has furnished inspiration that has done much in spurring the Jeff teams to victory. We will be looking for them next year, and may they again prove to be as successful then as they have been this year.

FOOTBALL

JEFF—0; LOGANSPORT—21. The Jeff Broncos opened their gridiron season for 1939 with a loss to the Logansport Berries, by a score of 21-0. The Bronco team was very inexperienced, and showed lack of cooperation in the first game.

The Berries had a strong line, and the Broncos failed to stop their drives.

*JEFF-FRANKFORT—*The second game of the season was an away game at Frankfort, and the Broncos came out of the fracas holding the little end of the score. The Hot Dogs scored early, but the Broncos started a counter-attack, which was not quite strong enough to hold the Hot Dogs. The Broncos managed to come within six points of tying the Hot Dogs, but they were unable to score again.

JEFF—0; TECHNICAL—12. Tasting defeat for the third straight time this season, the Jeff Broncos went down before the mighty Green Wave, of Tech, 12-0. It was the second home game of the season.

Two of Jeff's punts were blocked, enabling the Tech gridders to score each time. Late in the second quarter the Broncos started a touchdown drive, but were stopped when Light, of Tech, intercepted Vaughan's pass. Jeff was unable to again start a rally, although they succeeded in breaking up several drives that the Tech boys started.

*Left to Right, First Row—*Don Hurst, Fob Vaughan, Stanley Morrison, Harold Dicks, Henry Taylor, Joe Klein, Bob Coffman, Luther Cooper, Bob Ashby, and Burton Sexton.
*Second Row—*Lloyd Hammel, Wilfred Schaich, Don Malcolm, Bob Halsema, Clinton Christian, Bob Ulm, Art Long, Paul Brown, Gene Lecklitner, Kenny McKinny, and Harold Cordell.
*Third Row—*Clarence Price, Francis Naville, Miles Bauman, Don McClelland, Dick Lodde, Jack Kennedy, Charles Taylor, Maurice Reeves, Tom King, George McKinnis, Walter Weber, Bernard Watkins, Don Southard.

JEFF—6; CRAWFORDSVILLE—6. After being defeated in three encounters, the Jeff Broncos showed greater improvement, and succeeded in tying the Crawfordsville Athenians, 6-6.

The Athenians scored early in the first quarter, and then succeeded in holding their lead until the fourth quarter, although the Broncos started a scoring drive in the second quarter that was broken up when the half ended.

In the final minutes of the fourth stanza the Broncos started a rally, which resulted in a touchdown. The try for the extra point was blocked, and the game ended in a deadlock.

JEFF—13; SHORTRIDGE—27. The Broncos lost their fifth game of the season, at Indianapolis, where the Shortridge Blue Devils downed the Mastermen, 27-13. The Broncos failed to score for two quarters, but the third and fourth quarters netted them two touchdowns, the second try for the point after the touchdown being successful. The first went wide of the uprights.

JEFF—7; RENSELLEAR—27. The Broncos' colors were again dragged through the dust, this time by the Rensselaer Bombers, who defeated them, 27-7. The Bombers succeeded in crossing the goal line five minutes after the opening whistle, but the try for the extra point was no good. The Broncos then turned on the power and succeeded in crossing into pay dirt. The try for the extra point was good, and the Mastermen were leading by one point.

The second half opened with the Bombers again scoring, and this time they made good the try for the point after touchdown. The Bombers scored two more times, and each time made good the try for an extra point.

Kenny McKinny, Center; George McKinniss, Center; Charlie Taylor, End; Stan Morrison, Guard; Don McClelland, End.

Luther Cooper, Halfback; Jack Kennedy, Halfback; Dick Lodde, Tackle; Henry Taylor, Quarterback; Joe Kennedy, Quarterback; Don Hurst, Guard; Art Long, Halfback.

JEFF—0; KOKOMO—19. Jeff lost their final conference game of the season to the Kokomo Kats, 19-0. The Broncos, with one remaining game on their schedule, started a hard week of practicing for the annual game with their old rivals, the West Side Red Devils.

JEFF—7; WEST SIDE—20. There was much gloom on this side of the river to-night, for the Jeff Broncos ended their football season with no wins, and only one tie. The main reason for such gloom, however, is that Jeff's old rivals from the West Side succeeded in breaking an eight-year jinx by defeating the Mastermen, 20-7.

The Broncos held their own all through the first half, only to collapse in the second half. Late in the second stanza, Comingore was smothered at right guard, and on the next play Pud Brown blocked a West Side punt. Lodde picked up the pigskin and raced 35 yards for the Broncos' only score of the game. The try for extra point was good, and the Broncos led, 7-0.

The Red Devils, however, were able to score three times in the second half, but they were unable to make good the tries for extra point. Joe Kennedy fell on the ball behind his own goal, giving the West Siders two free points.

Tom King, Guard; Wilfred Schaick, Guard; Bob Ashby, Tackle; "Pud" Brown, End; "Horsey" Christian, Center.

Bob Coffman, Quarterback; Don Malcolm, End; Hilar Reeves, Center; Joe Klein, Guard; Bernard Watkins, Quarterback; Don Southard, Halfback.

JEFF—33; RENSELLEAR—32. The Jeff Broncos opened their 1939-40 hardwood season with a win over the Rensellear Bombers. A Bomber rally in the fourth quarter nearly upset the Broncos, but the gun soon ended the game and the rally. The final score read, 33-32, Jeff.

JEFF—29; LEBANON—36. During the same week the Jeffmen were downed by the Lebanon Tigers, 36-29. This game smothered the Broncos' chances to make it three straight over the quintet from Lebanon. Last year the Broncos won two games from them.

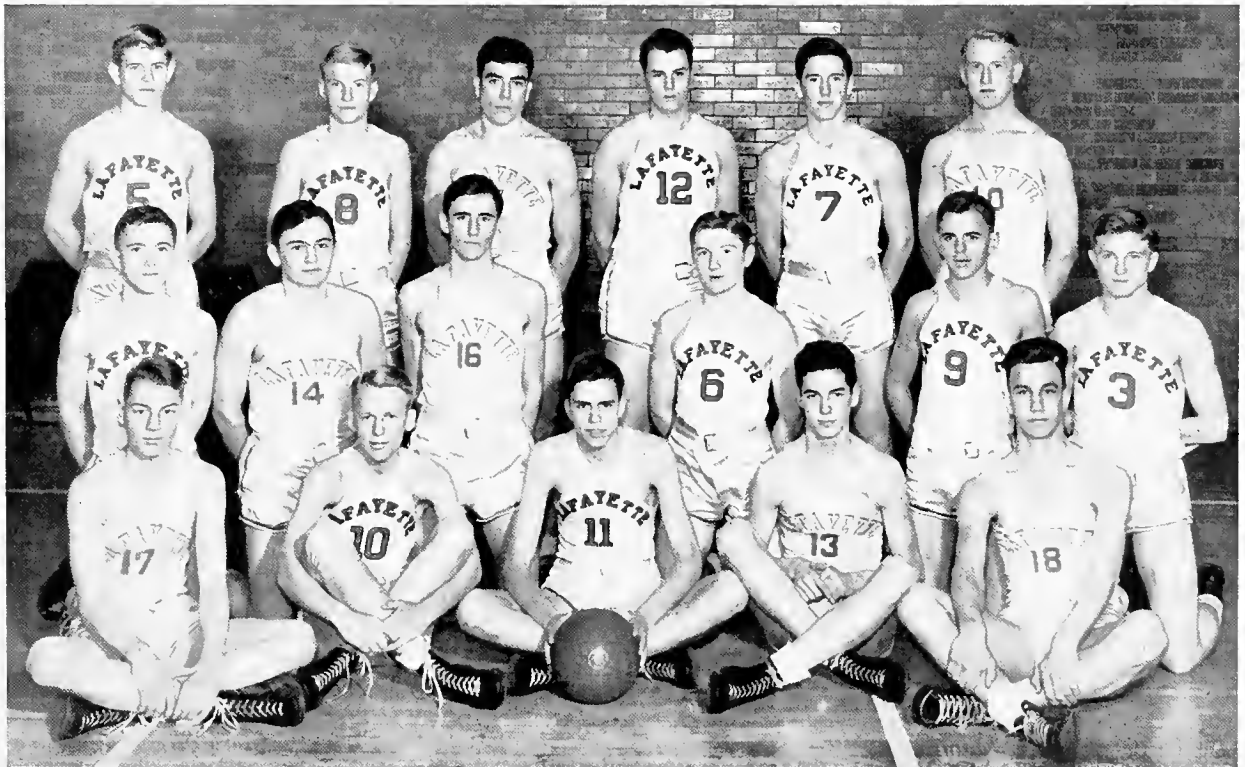

**JEFF—35; RICHMOND—33.* A crowd of 2,000 saw the Broncos first home game of the season, and they were well rewarded, for the Mastermen succeeded in downing the Morton five, 35-33, in an overtime. At the final gun the game was tied, 33-33, and in the three-minute overtime, after Runnel, of Richmond, missed one of his long shots, Hanson intercepted an out-of-bounds pass, and passed to Brady, who went under to score for the Broncos.

**JEFF—33; ANDERSON—31.* For the second time this season the Jeff Broncos nosed out a conference foe in an overtime. This time it was the highly favored Anderson Indians. With the score tied, 31-31, the Broncos succeeded in putting one through the hoop to win the game, 33-31.

**JEFF—25; KOKOMO—37.* The Broncos suffered their second defeat of the season, 37-25, to the Kokomo Kats. It was the second home game, and the first conference loss of the year. The fourth period opened with Kokomo leading, 25-22. The Broncos were unable to stage a rally, and the game ended in favor of the Kats.

JEFF—35; DELPHI—31. The Jeff Broncos were successful in downing their third non-conference foe of the season. This time it was the Delphi Oracles. Due to factors beyond our control the score of this game is questionable, although it was by a margin of a very few points, with Jeff holding the big end of the score.

ROW I—Art Lange, Marvin Dykhuizen, Bob Miller, Jack Young, Bill Polstra. ROW II—Billy Holmes, Dick Henemyer, Jack Vaughan, Lynn Bryan, Dick Brady, Frank Hanson. ROW III—Max Biggs, Roy Miner, Joe Kennedy, Leonard Schrader, Bob Ulm, Bob Stephans.

**JEFF—24; NEWCASTLE—58.* The Broncos lost their second conference game of the season to the Newcastle Trojans by a score of 58-24.

The Trojans hit nearly 50 per cent of their shots, and held a 20-6 lead at the end of the first quarter. The Broncos staged a short rally, but the Trojans again surged ahead, and they were able to hold a lead which was not threatened once.

**JEFF—39; FRANKFORT—36.* The Broncos handed their old rivals, the Frankfort Hot Dogs, a sound trouncing by defeating them, 39-36, on the Hot Dogs' home floor. The half ended with the Broncos holding a two-point lead, 21-19.

The Hot Dogs started a rally in the fourth stanza which brought the score up to within one point of the Jeffmen, 35-34, but the Broncos again surged ahead, and the Hot Dogs were left with the little end of a 39-36 score.

JEFF—32; SHORTRIDGE—27. The Broncos won their ninth game of the season by defeating the Shortridge quintet, 32-27. A fourth-quarter rally brought victory to the Jeffmen. In the waning minutes of the game Ulm made good two free throws and Biggs then scored a two-pointer, with the game soon ending.

**JEFF—30; MUNCIE—44.* The Broncos lost their third conference game to Muncie by a score of 44-30. The Broncos took an early 5-0 lead, but that lead was soon surpassed, and the Munsonians led at the half, 24-13, and at the final gun, 44-30.

JEFF—33; WEST SIDE—22. The Broncos succeeded in again downing their old rivals, the West Side Red Devils, this time by a score of 33-22. Three minutes after the fourth quarter opened the Broncos took a lead of 11 points, 31-20. During the fourth, the West Siders gained only one field goal and two free throws. Neither team was able to hit free throws, although they were successful in many of their field goal attempts.

**JEFF—38; TECHNICAL—30.* In the seventh conference game of the season, the Broncos were victorious, by downing the Tech Green Wave, 38-30. Tech led at the half by a margin of three points, 14-11. A fast and furious second half brought victory to the Broncos, but a rally in the fourth brought the score to within two points of Jeff, 28-26.

**JEFF—27; MARION—44.* The Broncos toured to Marion for this game, and there they met defeat for the fifth time this year. This defeat was the fourth conference loss out of eight conference games thus far played. Throughout the first half the Broncos held their own, leading by slim scores at intervals, and at the half they trailed, 17-15. A fast second half proved victorious for Marion.

**JEFF—38; FRANKFORT—30.* A whirlwind second half scoring spree, led by Frankie Hanson, enabled the Jeff Broncos, for the second time this season, to defeat the Frankfort Hot Dogs, this time on the Broncos' home floor. During the last stanza the Hot Dogs tried many wild shots, but were unable to score very many points.

**JEFF—21; LOGANSPOUR—31.* Last but not least of all the conference foes of Jeff is the Logansport quintet. The Berries succeeded in downing the Broncos,

31-21, in the Berrie Bowl. Not once were the Broncos able to take the lead, and the Berries held substantial leads at the end of each period.

JEFF—32; CRAWFORDSVILLE—40. The Crawfordsville Athenians succeeded in holding the big end of a 40-32 score against the Jeff Broncos, in Crawfordsville's new gymnasium.

The Athenians held quarter margins of 9-3, 22-12, 28-18, and the final 40-32. This defeat marked the second at the hands of a non-conference foe, having lost to the Lebanon Tigers earlier in the season.

***JEFF—34; LOGANSPOUT—39.** In a return encounter with the quintet from Logansport, the Broncos were forced to bow before the Berries by a score of 39-34.. The first quarter ended in a deadlock, 14-14. The half ended with the Berries leading, 22-21. With three minutes of play remaining, the Broncos staged a rally which was soon smothered, and the game ended with the Jeffmen holding the little end of the score.

JEFF—38; LEBANON—28. A return engagement with the Lebanon Tigers proved successful to the Broncos, who succeeded in downing the Tigers, 38-28. The Broncos held the lead all of the way, and led at the intermissions, 11-6, 20-8, 25-15, and 38-28. The Broncos' victory broke for them a three-game losing streak, and ended the scheduled season with a win.

TOURNAMENT

JEFF—56; BUCK CREEK—24. The sectional tournament opened with the Klondike Nuggets losing to the Battle Grounders. The Broncos took their first game easily, downing the quintet from Buck Creek, 56-24. The Broncos took an early lead, which was not once seriously threatened.

JEFF—40; MONTMORENCI—25. The Broncos advanced another step farther in the sectional tournament by defeating the quintet from Montmorenci, 40-25. The Broncos went into the semi-finals, where they met their old rivals, the West Side Red Devils.

JEFF—34; WEST SIDE—28. In the semi-finals Jeff met the Red Devils from across the river, and succeeded in downing them for the second time this year, by a score of 34-28.

The Red Devils fought valiantly throughout the encounter, but were unable to overcome the determined Bronco quintet.

JEFF—44; WEST POINT—19. The Broncos copped the local sectional by downing the West Point Cadets, 44-19, in the final game of the annual sectional, which was again played on the Jeff floor.

After a short battle for points, the Broncos surged ahead, and not once did West Point threaten their lead. Frank Hanson was proclaimed high-point man for the tournament, and Bob Miller, Bronco center, was second. Hanson, Miller, and Biggs were placed on the all-sectional team. Ulm, Jeff guard, received honorable mention.

In the first meet of the 1940 track season the Jeff Broncos encountered the Delphi Oracles, and succeeded in downing them, 72-59. The Broncos have several candidates back again this year, and there are several new boys who are promising prospects for next year.

The next week the Broncos took a trip to Indianapolis to meet the Shortridge Blue Devils, but were unsuccessful there, so the next Friday they went to Fowler to participate in a triangular meet, and they came home with their colors flying.

On April 23 the Broncos met the Frankfort tracksters on their own cinder path, and again marched off with the honors, downing the Hot Dogs, 63-46.

At the end of that week the Jeff cindermen went to Delphi to partake in the Invitational, and nosed out a strong Crawfordsville track team, by two points, 40-38. The third place team was North Judson, with 32½ points. Monticello brought up the rear position with a total of two points.

Later the Broncos returned to Frankfort, this time to take part in the Central Conference Meet., and they again nipped the boys from C'ville by holding a slim margin of three points over them at the end of the meet.

MINOR SPORTS

GOLF—The Jeff Broncos opened their 1940 golf season with a win and a tie, in a triangular match, against West Side and Peru. The match was played on the Lafayette Country Club course. A very high wind handicapped the golfers to a great extent.

The Bronco clubbers beat the West Siders, 8-4, and tied the Peruvians, 6-6.

The second meet of the season was held at Crawfordsville, and the Broncos came out on top by one point, 9½-8½.

The third match was also an away match. It was played on the Peru course, and the Broncos were unable to come up to their old standard against the Peruvians this time, being beaten, 7-5. Again there was a third foe to down, but they were unsuccessful, and were beaten by Tipton, 11½-½.

BASEBALL—With several returning men on the squad, the Broncos successfully opened their 1940 baseball season by turning back the nine from Otterbein, 10-4.

The second game of the season was postponed because of rain.

The Broncos' third game was at home, and they succeeded in downing the Lebanon nine, 12-5. Watkins and Flanagan, Bronco pitchers, succeeded in striking out thirteen men between themselves.

The Broncos were able to score twelve runs on only eight hits, the rest of the men reaching first base on walks and errors.

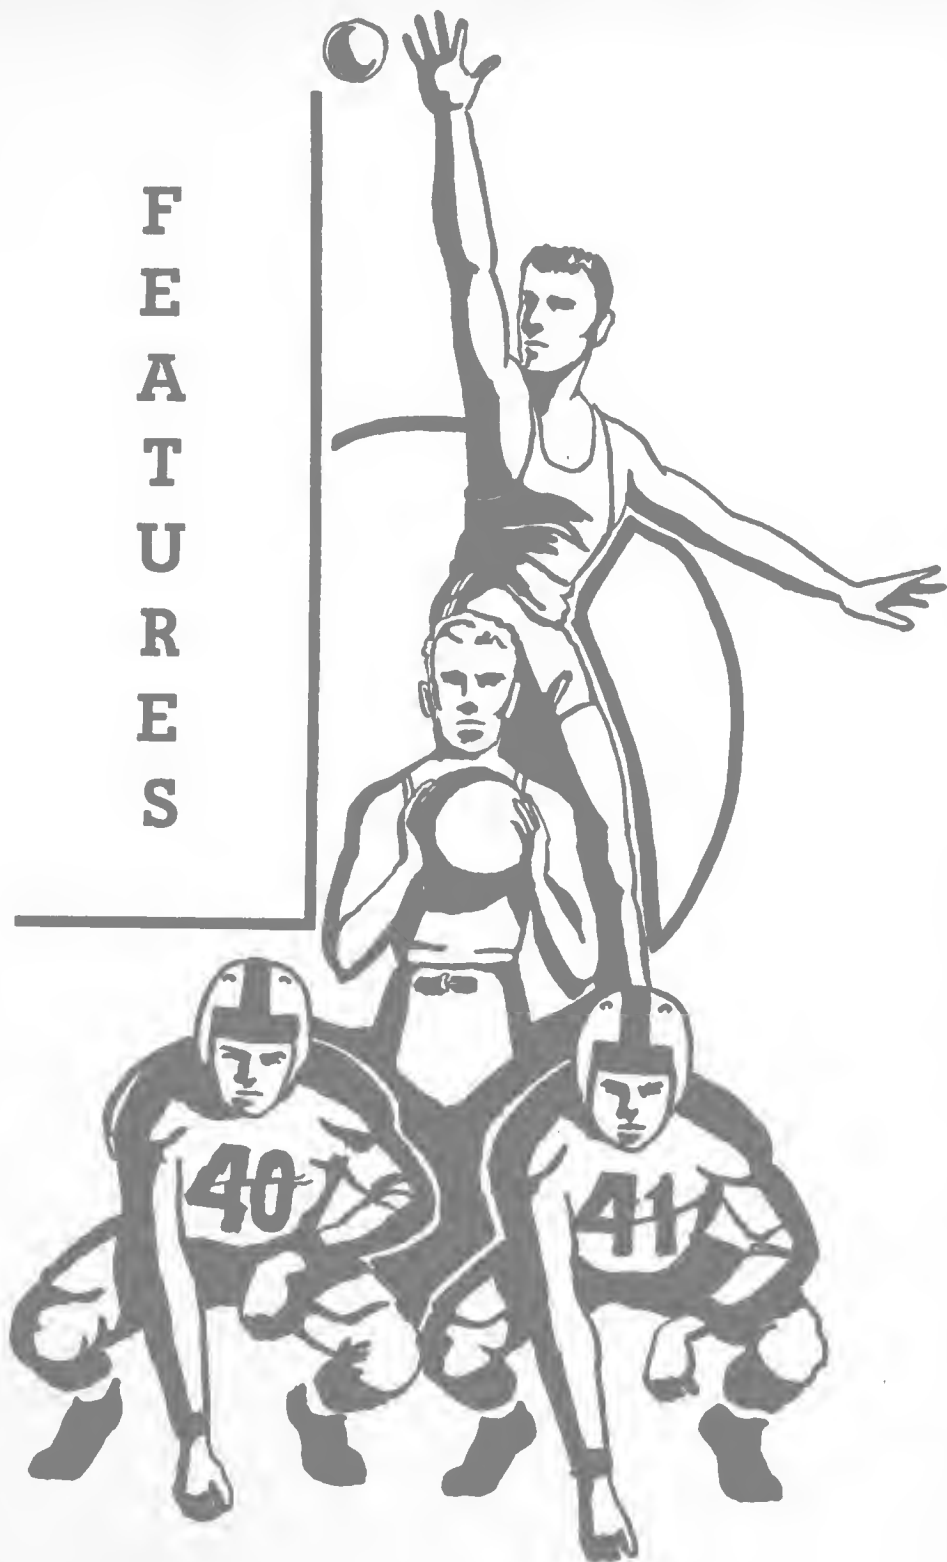

The following is a complete schedule of games to be played this year:

April 26.....	Otterbein	Here
May 3.....	Williamsport	There
May 7.....	Lebanon	Here
May 10.....	Muncie	Here
May 14.....	Oxford	Here
May 17.....	Williamsport	Here
May 20.....	Lebanon	There
May 22.....	Oxford	There
May 24.....	Technical	There
May 28.....	Muncie	There
June 1.....	Richmond (two games).....	There

TENNIS—Nine candidates reported for the first practice this year at the Columbian Park courts. The team has two returning candidates, Claude Foster and Francis Killian, and they have three returning men who were substitutes last year, Henry Taylor, Fred Northacker, and Bill Polstra. Joe Klein, Clyde Peterson, and Bob Brown complete the list of early candidates.

Only five boys are eligible to play in North Central Conference matches, but in non-conference matches all eight team members may compete.

PRODUCTS OF

THE CLASS OF '40

Today they're only students
That roam the noisy halls.
Tomorrow is their future
The world will be their walls.

They leave behind them memories
Of fun and sorrow too;
Of times when study worries
Were numerous it's true.

They leave behind them school days
That were made and meant to be
Milestones on life's highway,
And sailboats on life's sea.

They've had their bit of studies,
They've had their turn of fun,
But now as they're departing
Their real life's just begun.

True some will end up teaching
Some medicine will choose
As their life long achievement.
Some reporters for the news.

And too, there will be nurses
Stenographers galore,
Doctors, farmers, engineers,
And oh, so many more.

Some will go to college.
With books for four years more
And some will start house-keeping
And do their daily chore.

Well, "so life goes" 'tis spoken
Your life has just begun.
But we wish this class of '40
Success that's sure to come.

Blanche Smith

YESTERDAY

Only yesterday we came here to gain our knowledge;
Afterwards we were to go to college.
We aimed to follow the path our forerunners had made;
Up education's steep and narrow grade.
We have strived to reach this goal we aimed for;
When we came here four years before.
We have helped to widen this path as we go on our way;
Gaining our education from day to day.
Yesterday we had our fun here;
With our laughter and cheer.
From our Freshmen to our Senior year, we grassed along,
And in our heart is a parting song.
But now our path leads on;
For there is a success beyond.
As our thoughts run back our memories become anew;
We wish we were back there with you.
We students of yesterday.

JUST ONE SCHOOL

Of all the high schools under the sun,
In my opinion there's only one.
Jefferson High School ranks the best,
It deserves three cheers for passing the test.

Look at our ball teams, our school song,
Look at our teachers, our student throng,
Look at our Booster, which none can surpass,
Look at our Nautilus, our senior class.

So here's to Jeff, our school, our pride,
Which we challenge opponents to jeer or deride,
Long may it stand, may spirit never lack,
To defend our colors, the Red and Black.

BASKETBALL, continued

REGIONAL

JEFF—30; FRANKFORT—28. The Jeff Broncos for the third time in one season downed the Frankfort Hot Dogs, a feat which Coach Case has never before seen accomplished against his team.

A thrilling last-minute play nearly put the game in a deadlock, but the Frankfort boys failed to score and the game ended in favor of Jeff.

JEFF—40; FREELAND PARK—17. By defeating Freeland Park in the final game of the regional tournament, the Broncos were hailed the winners, and entitled to play in the semi-finals at Logansport.

During the first quarter the Freeland Parkers kept pace with the Broncos, but in the second half the Mastermen turned on the power, and surged ahead to win the game, 40-17.

SEMI-FINALS

JEFF—30; LOGANSPOORT—31. The Jeff Broncos were downed by the Berries in the semi-finals at Berrie Bowl, in Logansport, 31-30. After getting off to a nice eight-point lead, the Broncos committed several fouls, and the Berries soon took the lead.

Several times during the encounter the Broncos succeeded in tying the score, but they were unable to gain a lead substantial enough to withstand the Berrie onslaughts.

A man who had not been very good during his life on earth died and went below. As soon as he got to the nether regions, he began to give orders for changing the positions of the furnaces, and started bossing the imps around. One of them reported to Satan how the newcomer was acting.

"Here," said Satan to him, "you act as though you owned the place."

"Certainly," said the man; "my wife gave it to me while I was on earth."

DEDICATION TO THE CLASS OF 1940

In our solemn dedication,
This book we will gladly give,
To our 1940 seniors,
In their memories long 'twill live.

They've been with us for four long years,
And we know they've enjoyed their stay;
They'll never trod these halls again,
They're started on life's way.

Our best of wishes for each one,
This thought we all express,
Their teachers played a noble part,
And here's to their success.

By MARY RUTH ERB.

THE GRADUATES

I've worked quite hard these past four years
But my heart is filled with happy tears,
Because leaving these halls where I did stroll,
I've attained at last a glorious goal.

I walked upon the stage, dressed in cap and gown,
I held my head high, my cap seemed like a crown.
I felt a surge of courage, from deep within my breast,
I knew that I could conquer north, east, south, and west.

Now new doors are opened to me, just me alone,
If I work hard and never shirk, I know I'll gain a throne.
It may not seem much to the world, but 'twill fill my heart with pride;
Tell me now, how can I lose, with faith and courage at my side?
